

Thank you, [REDACTED]

Dear [REDACTED]

Your donation of £445.50 will help bring us closer to a world where everybody can lead longer, better lives, free from the fear of cancer.

Since the mid-1980s, more than [one million lives](#) have been saved in the UK thanks to advancements in cancer prevention, detection, diagnosis, and treatment.

Milestones like this have only been possible thanks to the generosity and hard work of our supporters.

And thanks to your donation today, we'll be able to keep reaching more of them.

Thank you for your support.

Today's science is tomorrow's treatment

Your donation will help fund researchers like Dr Munitta Muthana.

At the University of Sheffield, her team has been exploring how immune cells could be used to deliver cancer-killing viruses to tumours, potentially transforming how we treat some cancers.
