M.184.4412 Global Growth and Development - Perspectives of Global Regions

Unterrichtssprache (teaching language): English

Koordinator (coordinator): Prof. Dr. Gries, Thomas
Lehr- und Forschungseinheit (teaching unit): K.184.44121 Global Growth and Development - Perspectives of Global Regions
Assistenz (assistant): Gries, Thomas (thomas.gries@uni-paderborn.de)
Credits (ECTS): 10
Zeitmodus (semester): Sommersemester (summer semester)

Kurzbeschreibung (short description):
The course gives an overview of modern growth and development economics. Starting with empirical facts of growth and development, several approaches of growth and development are introduced. Apart from the mechanics of traditional and recent growth theory, the main challenges of development are discussed and analysed. Especially the issue of openness and growth and developments is in the focus of the discussion.
The students are introduced to empirical methods and apply them on economic questions.

Internationalization at home

Globalisation increasingly expects students to have experience of internationalization as part of their academic studies or in a work context. Even without spending time abroad you can gain such crucial experiences while studying at our Faculty simply by taking part in, for example:

- English-taught courses or presentations
- Courses or presentations made by international visiting scholars
- Blended Mobility
- John Molson Case Competition
- European Horizons
- Buddy-program
- Tandem (one-to-one) language exchanges / Language learning strategies for Outgoings
- Mentoring an international student
- Participating in International short-term programs
- Thematic social events organised by international student groups
- The University's International Week
- Participating in excursions organised for international students
- Meetings with the Faculty's Visiting Scholars
- Meetings of international students, e.g. the International Forum Economics and Management (IFEM)

Make a habit of regularly checking the events calendar and the Visiting Scholars webpage to keep yourself informed of the many opportunities at our Faculty.
